IN APPRECIATION

TO MISS JEANNE WAUGH

The annual staff wholeheartedly wishes to thank Miss Jeanne Waugh in her untiring efforts as a faithful adviser to us. The enlightenment and help Miss Waugh has given us, served as our guiding hand throughout the year.

This is Miss Waugh's first year as a commercial teacher in McClure. Besides her full schedule she has been able to help others. She is the sponsor of the Junior Class and the adviser of both the Newsette and Annual Staff.

Day after day when asked "is this right" and "how do you do it," she flashed her smile and putting her efforts forth, explained and directed without one word of protest.

To the next Senior Class we leave our best wishes for a kind, responsible and helpful teacher such as we have had.

DEDICATION

TO THE

ARMED FORCES OF AMERICA

Army, Navy, Marines, the Armed Forces of America, the 1942 McClurean Staff salutes you and hereby dedicate this annual to you. From all parts of the United States and scattered about the world are in these vast forces, a few representatives from McClure.

These boys in service are doing the biggest portion in preserving our country, the democracy, and winning the war. The least we can do to show our devotion for our country is to give them the supplies they need and our wholehearted co-operation.

Americans must have an undying hope and faith in the future! Make it start in your community. Parents, have faith in the abilities of your children and what they can do! Children, have faith in your parents! This would be a great beginning. Let's do it! To the Armed Forces of America we give our helping hand in every battle and each strife so that this great democracy of ours may be preserved for our future generations.

FACULTY

Success in any institution is largely due to efficient management and administration. McClure has been fortunate to have at the head of its school a man possessing unlimited knowledge and years of experience as a teacher. Through his guidance McClure School has risen to a greater plane of achievement.

Mr. Knight, a native of Wood County, received his Bachelor of Science Degree at Bowling Green State University and his Master of Arts Degree at the Ohio State University.

Through his humanitarian efforts and his ability to understand each person, his influence will be lasting to all of us who came in contact with him.

During his two years at McClure, Mr. Smith has won a prominent place in the hearts of the students as a result of his coaching ability and friendly, frank ways. He majored in Political Science and Physical Education at Bowling Green State University.

Miss Waugh has earned her place in our school by co-operating and giving her loyal help to anyone asking it. She received her college education at Bowling Green State University, where she majored in Business Education.

Miss Hatcher has been with us for many years and has proven herself very helpful in coaching our plays and helping in many ways. She teaches Home Economics, English, and Latin. At Bowling Green State University she received her AB degree.

With the help of Mr. Nelson, our Junior High physical education coach, our smallest boys have won a place for themselves in the county. Besides his coaching duties he teaches science. He holds a B. S. in Education at Bowling Green State University.

Mr. Salvo has been with us for three years and has brought to us, many times, beautiful music, when we least expected it. At Ohio Northern University he received a B. S. in Education and teaches English and Music, both choral and band.

Mr. Snider has helped our boys to see the need of better and improved farming methods, and with his help the boys have carried off some high honors at the various contests. He was a student of Ohio State University, where he studied Vocational Agriculture.

Miss Betty Sockman, in the Fourth, Fifth, and Sixth grades teaches the English subjects. Her patience and suggestions are appreciated very much by her students. She received her training at Bowling Green State University.

Miss Margaret Welsh, our Fourth, Fifth, and Sixth grade teacher of social studies, Arithmetic and girls' high school physical education coach, has given much help and encouragement and inspiration to our students. She received her training at Bowling Green State University.

Miss Eunice Ewing adds kindness and understanding in her teaching of the Second and Third Graders. She was educated at Bowling Green State University.

Miss Helen Rood has been helping our beginners for the past two years. Her patience and help to our First Graders is inspiring. She received her elementary education at Bowling Green State University.

SCHOOL WORKERS

John Alspaugh has been our janitor for several years. During this time our building has been clean, warm, and cheerful as the result of his hard work. This year he has had an assistant to help him with his work, as he has been employed in Toledo in a defense plant.

To the great delight of the school children, John has been very helpful in making some of our school ground equipment, and each Christmas to fix the trees for all the rooms.

We want to thank Mr. Roach for the time he has given for activities after school hours and the help he has given during the year.

Since 1938, we have had a school cafeteria, where the school children have bought filling lunches at a minimum cost, prepared by Grace Layton and her assistant, Ruth Adams.

These ladies have been more than just cooks for the school; they have become friends of each and all the pupils. We hope services like these will continue for years to come, as they not only provide warm meals for the students, but help to improve their work.

THE GRADUATING SENIORS OF 1942

"TIME FLIES, YOU SAY,
ALAS! AH NO,
TIME STAYS;
'TIS WE THAT PASS AND GO."
—Austin Dobson.

SENIOR HISTORY

Twenty-nine greenies enrolled in high school in 1938. The following officers were elected: President, Willis Shaneyfelt; Vice-President, Marvin Glanz; Secretary, Doris Jean Brannon; Treasurer, Betty Conn.

The initiation left many memories. We gave the Sophomores a return party for their generous initiation.

Once again in 1939, twenty-nine students entered school, but this time we were Sophomores. We soon organized and elected our class officers: President, Willis Shaneyfelt; Vice-President, Marvin Glanz; Secretary, Doris Jean Brannon; Treasurer, Glen Wulff.

Then came the pleasure of initiating the new Freshmen in which we gained our revenge. In return the Freshmen invited us to a coasting party.

We lost some members that year and ended with twenty-six.

In 1940, twenty-nine members entered school as Juniors. We elected the following officers: President, Deloris Zimmerman; Vice-President, Marvin Glanz; Secretary, Doris Jean Brannon; Treasurer, Betty Conn.

We had two parties in the fall, one at Norma Kane's home and the other at Richard Bossa's home. The Seniors gave us our annual game supper. We took the hint and planned a banquet which was held on May 4.

During this year Richard Baker decided to join the Navy and Eileen Myers moved to Liberty Center, so we ended the year with twenty-seven members. Also during this big Junior year we presented our class play "One Mad Night."

Finally it came! We are Seniors, twenty-five of us. We organized and elected the following officers: President, Richard Bossa; Vice-President, Richard Farison; Secretary-Treasurer, Glen Wulff.

We worked hard to make a success of our high school life. We printed a school paper and gave the Juniors a game summer, then looked forward to a banquet in the Spring. We also put on a Senior Class play, "Let's Get Together." During our four years of our school we were well represented in the band, baseball, basketball, chorus, scholarship tests and F. F. A.

SENIOR PROPHECY

At the tenth annual banquet of the Senior Class of 1942, we shall see what is to happen to our classmates.

Here sits Pete Croninger and his wife, (the former Betty Conn) talking to Hezzy Wulff. Pete takes care of two lovely children, while Betty looks on. Hezzy, the two timer of the Class of '42, is still waiting for his third divorce. He says when he gets it, it will be his last. (We hope).

Who is that lovely woman coming down the steps? Oh, yes! Maxine Rowland, now Mrs. Robert Conn. They now reside in Louisiana.

I wonder who that man is that has to be helped around by his wife. Now I see, it's Bill Shaneyfelt who was wounded in World War II. His wife was Shirley McClure before their marriage.

Over there is a familiar group of people. Mr. and Mrs. Joe Roach, (the former Esther Kistner). Mr. Roach is now the mayor of McClure. Miss Evelyn Pittman, the editor of the annual, has just announced her engagement to a wealthy business man. In this group is also "Peg" Alspaugh with her youngest daughter on her lap. You will recall she married an army captain.

Three men are approaching our small group, a prominent bachelor, Arthur Ruder, now the doctor of McClure. Carl Kistner is one of our local farmers, and is considered to be one of the best in the state. Last, but not least, is Lewis Tippin, who has just broken his fifth engagement.

Dick Bossa and his wife, Ruth Spangler, who is a secretary and keeps the family going, have a mischievous six-year-old boy who Dick takes care of. They inform us that Deloris Lashaway and Norma Kinder will not be with us as they are on a tour of Europe.

Who is doing all the giggling? You can guess, it's Ruth Browning and Doris Brannon, two well known New York fashion designers.

As our group grows larger, two United Airline stewardesses join us, followed by the famous painter, Lavonne Babcock. The stewardesses are sisters-in-law. You guessed it, "Archie" and "Norma."

Coming through the center arch are Mr. and Mrs. R. B. Farison. Fairy's wife is his former high school sweetheart, Ruth Stafford. They were married soon after his discharge from the Navy.

Norris Sibert (Sie to those who know him) will not be with us today. He was called to duty for foreign service.

Now look who we have here, "Old Grandpa" himself, gray hair and all. Some of you will recognize him as the sponsor of the Class of '42, others know him as just plain coach. Yes, it is Mr. Smith.

Now to make the group complete, will that erect, bald-headed man please join us? He is the fellow who used to try to keep us orderly. His wife calls him "Hon," but we call him Mr. Knight or T. W. when he isn't present.

CO-OPERATION

"It ain't the guns nor armament,
Nor funds that they can pay,
But the close co-operation that
Makes them win the day.

It ain't the individuals,
Nor the army as a whole,
But the everlastin' teamwork
Of every bloomin' soul."

During the year we have lost three members from our class. They are Violet Fuhrhop, Ralph Sheeley, and Helena Williams. On October 3, the Sophomores gave the Freshmen an initiation party. We were then given a return party on October 23.

On October 3, they were initiated and they in turn gave a return party. Two other parties followed during the year.

They received a new scholar from Grand Rapids, Leona Junge, which make them twenty-one to start the Sophomore year.

They are well engaged in such school activities as Music, F. F. A. and Physical Education.

Parent-Teacher Association

A school curriculum is incomplete without the presence of an active P .T. A. The purpose of this organization is to mold a definite Parent-Teacher relationship, and thus to help the Parents and Teachers to understand their children better.

Although the P. T. A. found it necessary to organize twice this past year, they have been very active in the meetings they have held. Under the guidance of their officers, Vern Rudolph, President; Mrs. B. E. Snider, Vice-President; Mrs. J. V. Chamberlin, Secretary, and Mrs. Clem Brown, Treasurer, the P. T. A. was able and willing to contribute forty dollars toward the purchasing of the new band uniforms, besides the other business that was carried on during the year.

The P. T. A. members were entertained during the year by several student body groups from the Music and Dramatic Departments. These students demonstrated what co-operation will do for the young mind and soul and the need for closer co-operation between the parents and the teachers.

Band Mothers

This year the Band Mothers organization has been very busy planning ways to make money to buy uniforms for the boys and girls in our school band. They decided to get just the coat and caps which will be navy blue with red trimming. The uniforms were received in April. The mothers intend to get the trousers in future time.

The school board donated fifty dollars, the P. T. A. donated forty dollars, and several members of the community donated money. The Band Mothers appreciated this help greatly.

The elevator dinner was served to the school children by the Band Mothers. They also served both dinners at the Farmers' Institute.

The officers for this year are: Mrs. Clifford Hines, President; Mrs. Door Watkins, Vice-President; and Mrs. Guy Shaffer, Secretary-Treasurer. The Band Mothers have been organized for three years.

DRAMATICS

Under the direction of Miss Hatcher this year we had the opportunity of having a public speaking class. During the second semester, several plays were produced before the student body chapels, and on March 13, they gave two plays to the public. With their profits they were able to supply the school with a make-up kit.

Some of the plays the class presented were, "Fixers Incorporated," "Play is Work," "A Scream in the Dark," "The Meeting Is Called To Order," and "The Great Joanne."

VARSITY

MR. ROBERT SMITH

The Varsity is improving with each year. During last season we won .333 per cent of our games, winning six and losing twelve during the season.

Just before the tournament the teams elected Norris Sibert as captain. In the first round of the tournament we drew Malinta and after a very hard battle lost by the score of 26-20.

Because of the difficult game with Malinta and in spite of our losing the game, it made a very difficult task for us to meet Ridgeville, who won by a score of 39-14. However, we realize we must be a good loser along with a good winner.

This year, with Robert Rowland as captain, the reserve team had a better than average season. Although we lost a few games and we might say by a small score, we were fortunate enough to win the larger per cent of our games.

Robert Farison was high point man, with Robert Rowland holding second place.

Our success is due not only to our ability, but to the patient and thorough training of our coach, Mr. Smith, who has been with us for the past two years.

CHEERLEADERS

Pauline Alspaugh, Marilyn Boyer, Lucille Kistner

1-2-3 — and the McClure gym rang with cheer. Our three peppy cheerleaders, Pauline Alspaugh, Marilyn Boyer, and Lucille Kistner gave us fine leadership throughout each game of the basketball season.

The housewifely knack of the girls led them to make new suits. These new suits with bright red skirts whirling in the air and the spirit of the cheerleaders urges the boys on to victory!

For six years, the students of M. H. S. have heard the familiar cry "Come on! Pep it up, this time!" from a very faithful cheerleader, Pauline Alspaugh. Pauline will be greatly missed by the student body for her pep and enthusiasm.

Boyer and Kistner are displaying what it takes to step into the shoes of the past cheerleaders of McClure. Good luck, kids, and more power to you.

BASEBALL

STANDING—Mr. Smith, Fred Miller, Bob Busch, Arthur Ruder, Eugene Fronce, Robert Farison, Lloyd Ward.

SEATED—Richard Flinn, Joe Roach, Bill Shaneyfelt, Norris Sibert, Richard Farison, Warren Brown, Robert Rowland.

A wind-up, a swish, and the game is on. From the beginning to the end of the season our nine players battled with all their might.

For over the horizon we saw the district tournament and we set that and no less as our goal.

Our team is composed of: Pitcher, Roach, Farison; Catcher, Shaneyfelt, Sibert; 1st Base, Whitman; 2nd Base, Miller; 3rd Base, Rowland; S. S., Brown; L. F., Flinn; R. F., Robert Farison. Substitutes—Busch, Knepley, McClure, Ward, Ruder.

The Boys' Athletic Association, along with the Home Economics Class and the Future Farmers of America, sponsored the carnival that was held in the auditorium on November 28. A good crowd turned out for the evening's entertainment and everyone had a good time. The G. A. A. had charge of the bingo, ice cream, and pop.

These boys sold ice cream, bars, and drumsticks during noons at school, and at the basketball games. From these sales the boys were able to meet their money expenses.

During the school year we bought new tops for the basketball team and saw to it that the teams were well equipped with basketballs, baseballs, and bats.

Early in the spring the B. A. A. held a banquet at which the athletic letters and pins were passed out by Mr. Smith.

The foundation on which the Future Farmers of America organization is built, includes leadership, character, development, sportsmanship, co-operation, service, thrift, scholarship, improved agriculture, organized recreation, citizenship, and patriotism.

Our F. F. A. has taken up two co-operative enterprizes this year, a steer project and a hog project. We bought a steer from Marvin Jennings for $111.04, then the meat was put up for sale to the public. Richard Farison and Ralph Croninger bought two sows and sixteen pigs for our second project. The pigs were kept by Ralph and for his labor he received 11 per cent of the profit. We estimated that the F. F. A. will clear $100 on this project.

At the sixth annual Parent & Son Banquet, eighty-six guests and members were present. Richard Farison was chairman with Norris Sibert as toastmaster. Talks were given by Marvin Jennings, George Wells, Joe Flowers, Richard Flinn, Paul Finger, Richard Watkins, and Ralph Croninger. Mr. Snider presented the awards to the cream judging team and to other boys that have won ribbons. Our F. F. A. took the $25.00 award for first place at the county fair on our display.

The officers this year are as follows: President, Richard Farison; Vice-President, Thurman E. Johnson; Secretary, Glenn Wulff; Treasurer, Frederick Miller; Reporter, Rex Richards; Watchdog, Ralph Croninger, and Adviser, Mr. Snider.

The Freshman Home Economics Class held their meeting and chose the following officers for the year: Vivian Crom, President; Mary Etta Kistner, Vice-President; Margaret Hatfield, Secretary; Evelyn Clark, Treasurer; Vivian Crom, Buyer.

The Sophomores chose their Home Economics officers: President, Ellen Smith; Vice-President, Lois Miller; Secretary, Marilyn Boyer; Treasurer, Joyce Brown; Buyer, Mary Fryman.
